Knoxville, TN | 9/28/20

Dr. Denise Sibley and a fellow freedom fighter drove to Knoxville to speak at this important commissioners meeting. There are almost 200 people here, and about 50 signed up to speak out against the tyranny happening, and the Board of Health's overreach in this area. This is the overflow room, while about 100 are still outside. Dr. Sibley felt it was important to come and speak out.
